ARTICLE III.***Appointment and Powers of Independent Executor***

3.01. I hereby designate and appoint TIM MANNING to serve as Independent Executor of this Will. If he is unable or unwilling to act or to continue to act in that capacity, then I appoint DONNIE COLWELL as substitute or successor Independent Executor of this Will. Should DONNIE COLWELL be unwilling or unable to serve or to continue to serve in such capacity,

then I appoint NOLAN GLASS to so serve. I direct that no action shall be taken in any court in the administration of my estate other than the probating and recording of this Will and the return of an Inventory, Appraisement and List of Claims of my estate. My Independent Executor or Executrix, whether original, substitute or successor, is hereafter referred to as my "Executor."

3.02. No bond or other security shall be required of any Executor appointed in this Will.

3.03. My Executor shall have, in extension and not in limitation of the powers given Executors by law, all powers conferred on Trustees by the Texas Trust Code or by other provisions of this Will (or granted to the Trustee hereunder), the following powers with respect to the settlement of my estate, to be exercised in each case from time to time in the discretion of my Executor without further order or license of any court:

(a) To retain any and all property received for as long as such retention appears advisable;

(b) To invest and reinvest in stocks, shares and obligations of corporations, of unincorporated associations or trusts and of investment companies or in any other kind of personal or real property, notwithstanding the fact that any or all of the investments made are of a character or size which but for this expressed authority would not be considered proper for executors;

(c) To hold securities or other estate property in the name of my Executor as Executor or in my Executor's own name or in the name of a nominee or unregistered in a condition where ownership will pass by delivery;

(d) To continue and operate, to sell or to liquidate, as my Executor deems advisable at the risk of my estate, any business or partnership interest received by my estate;

(e) To sell for cash or on deferred payments at public or private sale, to exchange, and to convey any portion of my estate, real, personal, or mixed, except for property specifically given by the terms of this Will, at the time or price and on the terms and conditions which my Executor may determine;

(k) To commence or defend at the expense of my estate any litigation affecting my estate deemed advisable by my Executor;

(l) To enter into oil, gas and other mineral leases on terms deemed advisable by my Executor, and to enter into any pooling, unitization, repressurization, community and other types of agreements relating to the exploration, development, operation, and conservation of mineral properties; to drill, mine, and otherwise operate for the development of oil, gas, and other minerals, to contract for the installation and operation of absorption and repressuring plants, and to install and maintain pipelines.

(m) To purchase from, borrow from, sell to, and generally to deal with themselves individually and as a fiduciary of my estate, or with partnerships, corporations, and financial or business organizations in which they may own an interest;

(n) To carry out the terms of any valid agreement which I may have entered into during my lifetime concerning property which I may own at my death.

3.04. In making distribution of my Estate, my Executor shall be authorized to allocate to such distributee, either real, personal or mixed properties, or any combination thereof, and the properties identical in kind and amount need not be allocated to all such distributees, and the decision of my Executor shall be conclusive and binding upon all beneficiaries hereunder.

ARTICLE IV.
Disposition of Estate

4.01. From time to time, I may attach a list of instructions to this Will as to the distribution of certain items of my personal property which I want to go to family, friends or others. I direct that my Executor make distributions of this property as set forth in the instructions attached to this Will on the date of my death. In the event no list of instructions is located within 30 days from the date of my death, it shall be conclusively presumed that no such list exists.

4.02. I give, devise and bequeath the sum of \$7,000.00 to my son, BILLY CRAIG COLWELL.

4.03. I give, devise and bequeath the mobile home currently located at 6154 Apple Lane, Madisonville, Texas to COURT JOHNSON and AMBER BOREN, share and share alike.

4.04 I give, devise and bequeath the rest, remainder and residue of my property to AMBER BOREN.

4.05. If property would be distributed to a beneficiary if he or she were to survive me, or to survive until the termination of a trust, and that beneficiary has died leaving lineal

descendants, then notwithstanding any contrary direction of disposition in this Will, the share to which that deceased beneficiary would have been entitled shall pass to his or her lineal descendants, per stirpes.

4.06. If property is to pass upon my death or upon termination of a Trust, to a beneficiary who has not attained the age of thirty (30) years, then notwithstanding any inference in this Will that it is to pass free of trust, that property shall be held in a separate Trust for that beneficiary. The Trust Estate of each Trust created pursuant to this Paragraph shall be distributed as follows:

(a) My Trustee shall pay to the beneficiary for whom the Trust is created the amounts out of the net income and, if net income is insufficient, the amounts out of principal of the Trust that my Trustee determines are necessary for the health, education, maintenance or support of that beneficiary.

(b) My Trustee shall deliver the remaining Trust Estate to that beneficiary free of trust, when that beneficiary attains the age of twenty-five (25) years.

(c) If the beneficiary dies during the term of the Trust, then the Trust shall terminate and the Trust Estate shall be distributed per stirpes to the then living lineal descendants of that beneficiary. If that beneficiary dies not survived by lineal descendants, the Trust Estate shall be distributed per stirpes to the then living lineal descendants of the nearest ancestor of that beneficiary descended from me who is then survived by lineal descendants.

4.07. I give, devise and bequeath any property owned by me at the time of my death which is not disposed of by the previous Parts and Paragraphs to my heirs at law.

ARTICLE V.
Provisions Relating to Trustee

5.01. During the term of any trust created hereunder other than the Tampke Real Estate Trust, the Trustee may accumulate and retain all or any part of the income thereof, or the Trustee may pay or expend all or any part of the income thereof, or any part or all of the principal thereof, as the Trustee, in his sole discretion, may deem to be necessary for the reasonable care, support, maintenance, education or comfort of the person or persons for whom such trust is created, unless specific restrictions are set forth herein regarding a specific trust.

5.02. Unless sooner terminated in the manner herein provided, any trust created hereby shall terminate twenty-one (21) years after the death of the survivor of my descendants who are living at the date of my death. Upon such termination, the entire trust estate shall be distributed to the persons for whom such estate is then held in trust, in proportion to the trusts then held for such persons. If there are no such persons surviving, then such trust estate shall be distributed to my heirs, determined according to the provisions of the Statutes of Descent and Distribution of the State of Texas with respect to each type of property being distributed.

ARTICLE VI.
Designation and Powers of Trustee

6.01 I hereby designate and appoint TIM MANNING to serve as Trustee of all Trusts created under this Will. Provided, however, should he be unable or unwilling to act or to continue to act in that capacity, then DONNIE COLWELL shall serve as Trustee. Should DONNIE COLWELL be unwilling or unable to serve or to continue to serve in such capacity, then I appoint NOLAN GLASS to so serve. In the event none of the named individuals are able or willing to serve or to continue to serve in such capacity, a successor Trustee shall be appointed pursuant to Paragraph VII below. In addition to the rights, powers, privileges and discretions granted to my

Trustee by this Will or by law, my Trustee shall have the following rights, privileges, discretions and powers:

(a) The Trustee shall have the full power to hold, manage and control the Trust Estate and to exercise all power to that end, and shall have the power to sell for cash or credit, or both, to convey, lease, rent, mortgage, exchange, invest and reinvest, all of the properties constituting the Trust Estate and the proceeds thereof, from time to time, upon such terms as to it may seem to be to the best interest of the Trust Estate, with the power to execute and deliver all necessary and proper agreements, releases, assignments, conveyances, leases, deeds and other instruments necessary or proper in the exercise of the trust powers herein conferred.

(b) The Trustee shall, out of the Trust Estate, pay any and all reasonable expenses which may be necessary or proper in the management and preservation of the Trust Estate, including taxes.

(c) In the administration of this Trust, the Trustee shall never be liable for exercise of discretion or mistake of judgment made in good faith. The Trustee shall have the right to employ attorneys when it is deemed by the Trustee to be necessary in the administration of this Trust, and to rely upon the advice of such attorneys; further, the Trustee shall have the authority to pay, out of the Trust Estate, all reasonable fees for the services of such attorneys.

(d) In making distribution of the Trust Estate upon the termination of such trust, the Trustee shall be authorized to allocate to such distributee, either real, personal or mixed properties, or any combination thereof, and the properties identical in kind and

amount need not be allocated to all such distributees, and the decision of the Trustee shall be conclusive and binding upon all beneficiaries hereunder.

(e) No bond or other security shall be required of any Trustee, whether original or successor, at any time serving as Trustee of any trust hereby created.

(f) No principal or income payable or to become payable under the Trust created herein shall be subject to anticipation or assignment by any beneficiary thereto or to attachment by or to the interference or control of any creditor of any beneficiary or to be reached or taken by any legal or equitable process in satisfaction of any debt or liability of any beneficiary prior to its actual receipt by such beneficiary.

(g) As to the distribution made in the course of the provisions hereof, my Trustee may, in his discretion, make such distribution to any such person in any one or more of the following ways:

- (1) To any person directly;
- (2) To the guardian, committee, conservator, or other similar officials of the minor or incapacitated person;
- (3) To a relative of the minor or incapacitated person to be expended by such relative for the care, support, maintenance, education or comfort of such person; and
- (4) By expending the same directly for the care, support, maintenance, education or comfort of such person.

ARTICLE VII.
Successor Fiduciaries

If at any time no Independent Executor is then serving and no one appointed above is willing and able so to serve, then a successor Independent Executor shall be

appointed according to the terms of this Paragraph by a written instrument filed with the records of my estate. Any Executor so appointed shall have the same powers, rights, privileges, duties, immunities and liabilities as the Executor or Trustee originally named. The following grants of authority to appoint a successor fiduciary shall be exercised consecutively. No such appointment shall be valid so long as any person described in a preceding Subparagraph is willing and able to appoint a successor fiduciary. Any Independent Executor appointed pursuant to this Paragraph shall be a lineal descendant of my grandparents or a state or national bank or trust association whose total trust assets under management are not less than Fifty Million Dollars (\$50,000,000.00) and, in the case of a Trustee, if practicable and not objected to by the beneficiary, whose principal place of business is in the state and preferably the county in which a beneficiary of that Trust is then residing.

(a) TIM MANNING may appoint a successor Independent Executor of my Estate, or successor Trustee of any Trust, as the case may be.

(b) DONNIE COLWELL may appoint a successor Independent Executor of my Estate, or successor Trustee of any Trust, as the case may be.

(c) NOLAN GLASS may appoint a successor Independent Executor of my Estate, or successor Trustee of any Trust, as the case may be.

(d) A majority of the then living income beneficiaries of any Trust (acting in the case of a beneficiary under a legal disability through such beneficiary's guardian) may appoint a successor Trustee of that Trust.

ARTICLE VIII.

For the purpose of this Will, no person shall be deemed to have survived me if such person dies within thirty (30) days of my death.

ARTICLE IX.

Context

As used in this Will, whenever the context so indicates, the masculine, feminine, or neuter gender, and a singular or plural number shall be deemed to include the others.

ARTICLE X.

If any part of this Will or any Trust hereby created shall be invalid, illegal or inoperative, for any reason, it is my intention that the remaining parts, so far as possible and reasonable, shall be effective and fully operative. My Executor may seek and obtain Court instructions for the purpose of carrying out as nearly as may be possible the intentions of this Will as shown by the terms hereof, including the terms held invalid, illegal and inoperative.

ARTICLE XI.

If any person, whether or not related in any way by blood to me, shall either directly or indirectly attempt to oppose or set aside the probate of this Will or to impair or invalidate any of the provisions hereof any such person shall establish a right to any part of my estate, I give, devise and bequeath to such person the sum of ONE DOLLAR (\$1.00) only and no further interest whatsoever in my estate.
